EDUCATION

Computer Engineering Doctor (Master's Degree)

Sapienza University of Rome

📅 2019 - NOW 📍 Rome, Italy

Computer Engineering Doctor (Three Years Degree)

Sapienza University of Rome

📅 2016 - 2019 📍 Rome, Italy

Diploma of Scientific high school

Ettore Majorana High School

📅 2009-2014 📍 Guidonia, Italy

UNIVERSITY PROJECTS

- Monolith (Ontology Based Data Access).
- LighTextEditor (OS Project).
- Domestic appliances RCNN.
- MultiutilityLucaVal (Languages and technologies for the web site)
- Automatic water level detection and controller Using AT89C51 by C language code.

MY PROJECTS

- Parallels Tools Upgrade For Linux kernel 5.0
- Window Movener: Move Linux windows in Python
- Telegram Bot For Utilities and Fun
- Spotify and Deezer Music Downloader
- RemindMe: Tools Installer for Ubuntu environment
- Terminal Apple Watch 4 Clock Face

DISSERTATION WORK

BSc Thesis

Mapping management of an Ontology-based data access system

- React and Java Server Application.
- Modify existing graphical interface to make it User Friendly.
- Developed JAVA language Code for control logic and Ontologies.
- Designed and developed the creation of Complex Mappings.
- Designed and developed the ability to make query directly from a browser.
- Management of insertion and creation of mapping
- Added Mapping Editor

LOOKING FOR

” To work in a progressive and dynamic research organization where one could solve informatics enigmas and contribute towards welfare of society ”

TECHNICAL STRENGTH

C/C++	●●●●●
React Native	●●●●●
Python	●●●●●
JAVA	●●●●●
SQL	●●●●●
HTML/JS/CSS	●●●●●
PHP	●●●●●
Assembly Language	●●●●●
MS Office	●●●●●

MOST PROUD OF

- 🏆 **Top Performer in College**
Earning my first masters degree in a foreign language
- ✈️ **My first parachute jump**
The courage to have faced the fear of emptiness.
- 📈 **Knowledge Evolution**
Going next level everyday by perpetual learning of technical and informatics knowledge

STRENGTHS

- Hard-working Decision Making
- Ability to Work Under Pressure
- Motivator & Leader
- Conflict Resolution Time Management
- Target oriented Able to travel
- Flexibility and Adaptability

WORK EXPERIENCE

Installer and Maintenance Technician

Electronic Installation Maintenance

📅 Nov 2015 - Present 📍 Rome, Italy

- Home automation systems installation.
- Installation and maintenance of electronic components.
- Maintenance of air conditioning and heating equipment.
- Electrical system maintenance.
- Creation of a database for data administration of the company where I work.

Freelance Website Designer & Applications Maker

Creation of websites and applications for mobile devices by request

📅 July 2016 - Present 📍 Rome, Italy

Main used Languages:

- Swift
- HTML + CSS + JS
- PHP + SQL

Freelance Hardware Repair & Maintenance

Repair and rollout of Smartphones, Tablets, Pc and OS systems

📅 July 2014 - Present 📍 Rome, Italy

LANGUAGES

Italian
English
French

HOBBIES

Technology

Reverse engineering, ROP analysis and C programming for embedded systems

Reading newspaper

Have a keen eye on current affairs

Music Addict

Listen quality music of every genre

Tracking

Going for mount climbing on every single year

Travelling

Always fond of traveling to exotic places

Sports

Team-based sports or games.
